

## Our Mission

To develop Crime Stoppers of Tangipahoa as an effective crime-solving organization throughout Tangipahoa Parish, the State of Louisiana, the United States of America, and the world, with the primary objective of the tri-partite organization (Community, Media, and Law Enforcement) being "Working Together to Solve Crime."

## Our Vision

To create a safe, secure world, through justice, for our children and children's children.

## What is Crime Stoppers of Tangipahoa, Inc.?

Crime Stoppers of Tangipahoa, Inc. is Tangipahoa Parish residents' organized resource to aggressively aid in fighting crime. Crime Stoppers operates on the principal that for every crime committed, someone other than the criminal has information that will solve it. Our program is highly successful because it circumvents the typical concerns of fear of retaliation and apathy by offering cash rewards while allowing tipsters to remain anonymous. Protecting callers' privacy is of the utmost importance. There is no caller ID at Crime Stoppers, nor will any identifying information be requested. Because callers are assigned a number as their identification, they also cannot be asked to testify.

"Crime Stoppers is a valuable asset to the Tangipahoa Parish Sheriff's Office. This anonymous tip line has helped us solve a number of crimes."

*Daniel Edwards, Tangipahoa Parish Sheriff*

"Crime Stoppers is proud to partner with our local law enforcement agencies and local prosecutors in helping fight crime in our community."

*Jodie Powell, Crime Stoppers of Tangipahoa Executive Director*

"Because of the information provided by Crime Stoppers, we have been able to prosecute and convict a number of criminals. We appreciate and support the services of Crime Stoppers."

*Scott Perrilloux, 21st Judicial District Attorney*
