Poker Run Rules

Most Important! There is no prize for speed! Take your time and be SAFE on the road!

In lieu of cards, numbered poker chips will be used in the poker run. There will be 100 chips numbered 1 through 100, 1 chip valued at 250, and 1 chip valued at 500 at each stop.

Player will draw a numbered poker chip out of a bag at each of the listed stops. The value of the chip is listed in the 1st choice column on your scorecard.

For an additional \$5, the player can purchase an chance to draw a 2nd chip and the value will be marked in the 2nd choice column on your poker card. The value of the 2nd chip will be used to determine your final score.

All scorecards must be filled in by a volunteer at each stop. It is each participant's responsibility to have scorecard filled out by a volunteer before leaving the stop. Incomplete scorecards or scorecards that have been filled in by a participant will be ineligible for prizes.
